Int. Filing Date: 22 January 2000
Priority Date: 01 February 1999
Attorney Docket No.: 521.1004
For: SELF-RECOVERING CURRENT-LIMITING
DEVICE WITH LIQUID METAL

DECISION ON
PETITION
UNDER 37 CFR 1.137(b)

The petition to revive under 37 CFR 1.137(b) filed 17 June 2004 in the above-captioned application is hereby **GRANTED** as follows:

Applicants' statement that the "entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional" meets the requirements of 37 CFR 1.137(b)(3).

A review of the application file reveals that the proper reply, that is, declaration executed by the inventors which is in compliance with 37 CFR 1.497(a) & (b) was provided. The required petition fee of \$1330 was also paid. Thus, the requirements of 37 CFR 1.137(b) have been satisfied. Therefore, the request to revive the application abandoned under 35 U.S.C. 371(d) is granted as to the National stage in the United States of America.

This application is being forwarded to the United States Designated/Elected Office for further processing. The 35 U.S.C. 371(c)(1), (c)(2) and (c)(4) date is **17 June 2004**.
